<b>NOTES (Optional)</b>	<p>We want to stay away from what he's already done with the Dance of Cloaks as that is too close to Brent's titles – we want something a bit different. See current covers below.</p> <p>We want to stress the following for these covers:</p> <ul style="list-style-type: none"> <li>--Dance, movement and the cloak are the key elements</li> <li>-- evoke ninja skills with cloaks</li> </ul>
